CREATE AN ALBUM WITH TEMPLATES

WHY ALBUMS?

- ✖ Great gift
- ✖ Awesome for people to look through
- ✖ Tangible evidence of your scrapbooking
- ✖ Feeling of accomplishment

PLANNING

- ✕ What inspires you?
 - + Photos – select a set of photos
 - + Stories – jot down an outline of what you want to include
 - + Chronology – if you want to do one page per year etc
- ✕ Use this to plan the pages
 - + How many (approximately)
 - + What style do you want to make it
 - + When does it need to be done

USING TEMPLATES

- ✖ Choose a set or designer you like
- ✖ Duplicate all the templates
- ✖ Copy and rotate or flip for a different look
- ✖ Make your own templates

ORGANISING YOUR TEMPLATES

- ✕ By designer in folders
- ✕ By number of photospots in Organizer
- ✕ By style – simple, clustered, multiphoto

COMPLETE THE PAGES

- ✕ Start with what you have
 - + Get the photos/words in
 - + Don't spend time shopping at this point!
- ✕ Work up
 - + Add titles, dates, etc
 - + Add papers
 - + Add embellishments
 - + Shop now if needed

FINISHING STRONG

- ✕ Set a deadline
 - + date
- ✕ Keep it simple
- ✕ Work on the album as a whole
- ✕ Proofing
 - + Share and ask others to read it
 - + Use an action to prep for printing
